

Staff Training

Aim:

The aim of this placement is not only to teach the children and teenagers but mainly to provide quality training to the local staff members. For this reason we are looking for volunteers who want to develop training for the local staff. This training will focus on English teaching, library activities, computer teaching, sports (football) and Life Skills and Career training (improving the curriculum).

Specific Requirements:

- Available for 3 months (preferably 6 months)
- Experienced in teaching, experience in the field of education
- Capable of expressing yourself in good English, spoken and written

Job Description:

You will monitor and evaluate SK's lessons and activities. Together with the Educational Manager you will discuss a training schedule and set up and conduct training sessions for the local staff. These will be developed for staff members who are involved in teaching English, computing, sports and career coaching as well as library hours. Training can include specific teaching techniques, pedagogical topics such as encouragement of students, education methodology. Our focus is on cooperative learning strategies, and playful, creative lessons; so as to raise the student's knowledge and to enable them to have the courage to develop their own ideas and to become self-confident.

Before coming to Cambodia you will exchange ideas with the local staff members and work out your plan. During your stay you are expected to cooperate with the local staff and report on your work on a regular basis. The staff will support you during your volunteer time and help you to set up a working schedule.
